

Rural Municipality of Buchanan No.304

SNOW REMOVAL POLICY

1. Snow Removal services will be provided to the residents of the Rural Municipality of Buchanan No.304 without any individual charges unless the work is on private property, at which time custom charges shall be applied.
2. Non-residents requiring custom snow removal with municipal equipment must provide a \$100 deposit before services may be acquired; any unused portion will be refunded after April 30.
3. The municipality may supply 1 of 2- Motor Graders, John Deere 772G & Caterpillar 140M, both equipped with one-way plow and wing, to perform above mentioned work.
4. Roads to be maintained shall be Primary Grid, Grid and Main Farm Access and roads necessary to provide access to the taxpayers residence and other roads so designated by council as per attached map; immediate snow plow service may be provided in case of emergency, ex. fire, health, etc.
5. Private work will be done and billed at the municipal custom work rates with a minimum charge of \$50.00, time to move one-way will be added to the custom work time.
6. Roads not included on the snow removal map will be granted one free opening per site.
7. Should work be required, the resident should so notify with a RED FLAG at the gatepost of the driveway, or contact with the councillor or operator should be made.
8. The municipality shall not be responsible for damages to private property when performing snow removal services.
9. Work done by private equipment will not be considered for payment through the municipality.

Adopted by RES.331/2022
at the Nov. 10-2022
Meeting of Council.
